

乾杯

KANPAI

SUSHI · TAPAS · BUBBLES

Kanpai means “cheers” in Japanese 乾杯 — a toast to coming together, to shared moments of celebration and joy. Inspired by the spirit of modern Tokyo and the energy of Johannesburg’s electric streets, Kanpai invites you into a world of refined flavours and relaxed indulgence.

Our menu is designed for connection — beautifully crafted dishes, plates made for sharing, and drinks that spark conversation.

**RAISE YOUR GLASS.
RAISE YOUR EXPECTATIONS.
